The 2018 tax bills will be issued on February 12, 2018. Discount ends April 11<sup>th</sup>, Face ends June 11<sup>th</sup>, and Penalty ends December 31, 2018.

Mayor Report – None at this time.

Police Report - Mr. Janesko gave his final report for December 2017:

Criminal Arrests-3; 23 Traffic Citations; 4 Non-Traffic Citations; 5 Court Appearances; 6 Motor Vehicle Accidents; 4 Assists to EMS; Assist Fire Dept.-2; Assist Other Dept. – 5; Alarms-6; Burglaries-1; Robberies-1; Thefts-5; Vandalism-2; PFA Violations-1; Domestic Reports-8; Suspicious Activity-5; Miscellaneous Calls-29. Mileage: Explorer – 4,278; Taurus-44,544; Crown Vic – 121,185. Magistrate Fines - \$3,187.59.

Mr. Janesko thanked everyone on the Board that he has worked with, and recognized Mr. Karkut, who is new to Council. Rich stated he turns the keys over to a man he has known his whole life, Sean Doran. Sean will continue the work that has been done over the past two years, bringing Dupont moving down the tracks and hopes to see everyone at Mardi Gras. Mr. Knick thanked Mr. Janesko for his time in Dupont.

Solicitor Report – None at this time.

Code Enforcement Report - Martha reported from December 1 to January 16, our annual minimum refuse fee collected was \$36,493.50. Additional Bag Sales - \$ 2,108.00; Bulk – \$155.00; Prepaid - \$23,567.00. To date 767 refuse fees have been paid. One incident at apartment house with code issues, BHW was contacted. Two recycling programs this year will be scheduled: Shredding and Electronics Recycling.

Mr. Kaminski questioned Martha on the shred event noting that he participated in the event last year and was not satisfied that the material was not shred while he watched. The company used a black truck unmarked and when asked about shredding the documents while resident was present, they stated they wait til the container is full. Martha mentioned different companies that were referred in the listing and we will discuss that before scheduling this year. Mr. Kaminski noted other residents were uncomfortable leaving the sensitive material with the workers. The workers were in jeans and not uniforms. Martha noted we have \$2000 toward shredding and she will research the different vendors.

Solicitor Report – Bob Naegele noted he provided Patty with a bid package for the Main Street sidewalk project. These specs eliminate the railroad. It should be under the bid threshold requirement of \$20,100 so we should be able to solicit three bids. He provided five sets of bid specs. As long as we receive a formal rejection back that they will not be bidding, the Borough is covered.

The second item is copies of the Mill Creek Channel repairs project in draft format. The cost estimate is attached. The grant is for \$85,000 with a \$15,000 Borough match he believes. The estimate is at \$102,000. This includes the upper part of the Channel which they checked is actually Pittston Township but they believe it falls under Dupont Borough's responsibility. Patty asked whether it includes work above the wave wall or below the wave wall. Based on DEP reports, Bob believes it may be under the Borough. If someone else is responsible that section can be eliminated from the conversation. Stan stated we will confirm this. Bob noted there are two more sections which they did not get to. Patty asked Bob if he had information on the new round. Bob noted he does have the new application packet Flood Mitigation for 2018. It opens February 1<sup>st</sup> and deadline is May 31<sup>st</sup>. Andy Orlosky from DEP is very helpful. This is also a similar program. Patty asked Bob whether gabian baskets or something else can be done in the creek area of Everhart and Holden where there was flooding today. Bob noted it is for maintenance and rehabilitation. If there is washout, possibly yes. Bob suggested sending pictures to Andy and asking for his input. Because we do not have enough funding this current round to do everything down through the flood channel, this new application would be a good piggyback onto what we already have. He suggested we reapply with the same ideas. Patty noted the incident in Avoca today and questioned how that might affect future projects or grant funds. She will followup with DEP and the Corps to see if any other phases of Mill Creek are scheduled. There were a few phases that were not completed that were proposed in the past. Bob noted he has a lot of the information for the channel areas already done so the new grant will be ready to go once we decide to proceed.

Patty asked Bob about the PA Water and Sewer Grant and whether he knows of any problem areas that need work. This is the grant that was received for the pump station work. A new round is open. Bob stated the sewer system is fairly new and he does not anticipate a need there. The pump station was our need and we did receive funding to replace the pumps. Patty asked if it covers drainage projects. Bob responded it is for water supply such as drinking water or fire protection.

Patty addressed Mr. Kaminski on the Stanton Street sewer line issue with the tree roots. Bob suggested root cut send blade through. Dukes Root Control is costars approved and can do it chemically. Patty stated so that can be done from our sewer fund and is not that costly. Bob stated we can get prices, they are on costars so it does not have to go out to bid. That is for treating a bigger area. Mr. Kaminski stated there is a dip in the pipe and that may be a problem. There is a drop in the pipe. Bob suggested Dukes be contacted and take a look at it.

Bob said the MS4 survey is complete and asked whether Patty received a letter from DEP. There are notice of violation letters being sent. Dupont will probably get one because we are not fully compliant. We are close. One of the things that was missing was the survey which his office completed. They are tracking down the mapping and should have something next month for our files electronically and paper. Patty asked if his team is all done in town. Bob stated Stephanie may have been in town today doing last minute mapping and connecting dots with pipes and inlets. Patty asked if it is a yearly thing or once its done its done. Bob stated no it is done unless you add or do a storm project in town it should be mapped. If DPW does a project it would be add on information.

Progress Committee - Chief alluded early to the Mardi Gras event scheduled for February 9<sup>th</sup> at the Hose Company. The Committee invites Council and everyone in town to stop by. Tickets are \$15.00 and are available at the borough office during business hours. Good food, music, good time. The progress committee will continue and events are planned throughout the year. The next meeting is on February 7<sup>th</sup> to finalize the Mardi Gras plans and following that the following meeting is scheduled for the 21<sup>st</sup> of February.

Crime Watch - No meeting in December due to the Holiday. The next meeting is Tuesday, the 30<sup>th</sup> of January at 7 pm. There are programs lined up for this year. He hopes crime watch is more active this year. Bob thanked Chief Janesko for all his help and Bob looks forward to working with Sean to continue keeping things safe in Dupont.

Council President's Report – Stan reported trash to landfill 48.37 tons; singlestream recycling 25.86 tons. Problem with Bakchoe. Its at Cleveland Bros. for repair. Mileage: Mack – 10,339; Recycler - 15,988; C3500 – 5,275; F550 - 14,877; Packer 50,350. Reminder to Council members to check the mailboxes for important papers.

#### **MOTION TO ACCEPT REPORTS.**

Motion: Mrs. Hansen

Second: Mr. Kaminski

Roll Call Vote: Mr. Knick, yes; Mr. Kowalczyk, yes; Mr. Kaminski, yes; Mrs. Hansen, yes; Mr. Karkut, yes.

Motion Carried 5/0.

**MOTION TO PROCESS POLICE REGIONALIZATION INVOICES SUBMITTED AS OF DECEMBER 31, 2017**

Motion: Mr. Kowalczyk

Second: Mr. Kaminski

Roll Call Vote: Mr. Knick, yes; Mr. Kowalczyk, yes; Mr. Kaminski, yes; Mrs. Hansen, yes; Mr. Karkut, yes.

Motion Carried 5/0.

**MOTION TO SIGN THE TRANSFER OF AGREEMENT FOR POLICE REGIONALIZATION TO JENKINS**

**TOWNSHIP AS OF JANUARY 2018**

Motion: Mr. Kaminski

Second: Mrs. Hansen

Roll Call Vote: Mr. Knick, yes; Mr. Kowalczyk, yes; Mr. Kaminski, yes; Mrs. Hansen, yes; Mr. Karkut, yes.

Motion Carried 5/0.

**MOTION TO ADVERTISE BURNING ORDINANCE FOR PASSAGE AT THE FEBRUARY MEETING**

Motion: Mrs. Hansen

Second: Mr. Kowalczyk

Roll Call Vote: Mr. Knick, yes; Mr. Kowalczyk, yes; Mr. Kaminski, yes; Mrs. Hansen, yes; Mr. Karkut, yes.

Motion Carried 5/0.

**MOTION APPROVING MARTHA DORAN AND PATTY MCDONALD ATTEND PENNDOT MEETING MARCH 26, 2018 CONNECTING THE DOTS (Ask if any council member want to also attend)** Jeff asked what it entails. Patty stated it is how Penn DOT and municipalities work together on projects.

Motion: Mr. Kowalczyk

Second: Mr. Karkut

Roll Call Vote: Mr. Knick, yes; Mr. Kowalczyk, yes; Mr. Kaminski, yes; Mrs. Hansen, yes; Mr. Karkut, yes.

Motion Carried 5/0.

**MOTION TO APPOINT MARTHA DORAN TO OPEN RECORDS.**

Motion: Mr. Kowalczyk

Second: Mr. Karkut

Roll Call Vote: Mr. Knick, yes; Mr. Kowalczyk, yes; Mr. Kaminski, yes; Mrs. Hansen, yes; Mr. Karkut, yes.

Motion Carried 5/0.

**MOTION TO APPOINT REPRESENTATIVE TO LLVSA BOARD.** Two letters of interest received, one from Christopher Kalmanowicz; second one from Martin Kuna.

Motion: Mr. Kaminski for Martin Kuna

Second: Mr. Kowalczyk for Martin Kuna

Roll Call Vote: Mr. Knick, yes; Mr. Kowalczyk, yes; Mr. Kaminski, yes; Mrs. Hansen, yes; Mr. Karkut, yes.

Motion Carried 5/0.

Matters from Audience:

1. George Jendrey, Wyomign Avenue - Did Council discuss and make decision on the Building Permits. Patty explained that it will be on the agenda for the next meeting. This meeting had a lot of personnel and legal matters. We will definitely be looking into it.
2. Keith Baran, McLean Street– Questioned why the insurance down payment was paid using Refuse and General Fund and whether we have done that in the past. Stan explained that insurance covers all departments and funds can be used to pay the insurance. At this time of year, we are waiting for taxes to come in and therefore we split the payment.

3. Mr. Lizak, Hill Street - At the last meeting a resident complained about the paving project for the water company project. Mr. Kaminski stated he will check into it the next day. Jeff explained it is temporary pave and he was satisfied with it. It is just a bump in the road. He checked both areas. End of the year blacktop is cold, end of trench line, pipe guys. Stan noted he wished they did a better job.
4. Patty brought up a news report on an accident involving a packer where the worker was injured when the step he was on broke off the unit. Last month we were notified of the rust problem with the packer and the two side pans that fell off and had to be ordered and replaced. Patty asked that someone look at the packer and check those steps. Mr. Kaminski stated that should be part of the whole pre-trip inspection. The driver should be doing that. Patty stated he brought it to our attention. Mr. Kaminski stated if he doesn't feel it is safe enough he should park it and bring it to our attention that it needs to be fixed. Patty noted we did have Mid Atlantic, the company we purchased it from come in and give an estimate for body work \$11,000, which at this point we discussed looking at other means of refuse collection. Mr. Kaminski suggested using the recycling truck. Stan and Mark will look at it and if welding is needed it will be done.

Matters from Mayor and Council:

Mayor Lello – Food Giveaway is in need of volunteers. John Lizak is there, Joe Karkut, Alberta and others, but it is getting slim and we can use the help. This month is Thursday the 25<sup>th</sup> at Holy Mother of Sorrows Hall from 2-4. Secondly, this Thursday Congressman Matt Cartwright will have an informal meeting at the Borough Building from 6:30 to 8:00. Mayor Lello thanked Rich Janesko for helping us in Dupont, Congratulated Sean Doran. Congratulated Bryan Besecker and knows he will do a great job. Bryan Besecker advised that on February 4<sup>th</sup> at 8 am there is a taser recertification class here in the chambers. Mayor asked if there is a volunteer to be tased. Mayor was nominated. Mayor spoke about the last few Chiefs, former state troopers who brought different skill sets to us and passing them on to the officers. It is great to have this kind of people committed to Dupont. Rich was committed to Dupont but went back to his home town. Thank you very much. The town is much better since you were here and prior people.

Mrs. Hansen – Thank you for your service and good luck in Moosic Rich. Welcome aboard Sean.

Mr. Kowalczyk - Mark noted he deals a lot with the public and over the past year there were a lot of compliments with the Department and your leadership Rich. I know Sean will do just as good a job. Congratulations Bryan and I know you and Mike will do a good job, you have been with us for years and know the town. Remember you are not working for us, but the public. I know you will make us proud and we will continue a great relationship.

Mr. Kaminski – Congratulations Ricky on your new adventure in Moosic. Welcome Sean.

Mr. Knick – Thanked Rich, we really appreciate all you've done. Everytime you were called you picked up the phone or called right back to me. The town is a lot better. Sean based on Rich's recommendation we know you will do a great job. Thank you both.

Mr. Keith Baran – Regarding the creek project – Dupont responsible for something that might be in township. Stan stated he is not sure about this, it was before this administration. Keith asked if it is something like the Commerce Road issue. Jeff explained it is behind Cleveland Bros., below 81. It is

probably 100 yards. Keith said it is not an area that we have to undertake that has problems that we have to rectify.

Mark Kowalczyk – Addressed Bob Price on his nomination for Person of the Year. It was in the paper about a week and a half ago, but with the meeting being cancelled it wasn’t brought up. Mark congratulated Bob and knows a lot of it had to do with the work he did in Dupont with the Centennial for our town. Congratulations to you on all your hard work. Mark added it is nice to see a newspaper from out of town recognizing all the work that was done. Stan also said it slipped his mind, but congratulations Bob.

Jeff Kaminski – At the creek channel today, there were pallets in the channel. Obviously they may have come from Cleveland Bros. Some feel Cleveland Bros. is a distance from the channel. Stan suggested other ideas, and Mark mentioned UPS and other buildings up above the channel. Stan and others will look into this situation.

With no further business being discussed, Motion by Mrs. Hansen, seconded by Mr. Kaminski, to adjourn.

Respectfully submitted, Adopted and Approved this

Patricia McDonald  
Borough Secretary

Stanley Knick Jr.  
Council President

Correspondence January 23, 2018

1. Request from Property Owner 225 Ziegler regarding piece of property in the rear which connects to Wilson Street and proposal to transfer ownership to Dupont Borough in exchange for another section of property.
